## Contents

### SECTION 1: ENT EXAMINATION

**Section Editor: Rakesh Prasad Shrivastav**

1. Examination of the Ear, Nose and Throat  
   *Rabindra B Pradhananga*  
   
   Page 3

### SECTION 2: THE EAR

**Section Editor: Hari Bhattarai**

2. Anatomy of the Ear and Facial Nerve  
   *Rabindra B Pradhananga*  
   
   Page 7
   - External Ear  
   - Middle Ear Cleft  
   - Inner Ear  
   - Facial Nerve

3. Physiology of Hearing and Equilibrium  
   *Yogesh Neupane*  
   
   Page 17
   - Physiology of Hearing  
   - Physiology of Equilibrium

4. Symptoms of Ear Diseases  
   *Pabina Rayamajhi*  
   
   Page 22
   - Earache (Otalgia)  
   - Hearing Loss  
   - Discharge  
   - Vertigo  
   - Tinnitus  
   - Facial Nerve Paralysis  
   - Itching/Irritation  
   - Others  
   - Symptoms Suggestive of Possible Complications Due to Otitis Media

5. Clinical Examination of the Ear  
   *Pabina Rayamajhi*  
   
   Page 25
   - Auricle, External Auditory Canal (EAC) and Surrounding Area  
   - Tympanic Membrane (TM)  
   - Hearing Tests  
   - Fistula Test  
   - Eustachian Tube (ET) Function  
   - Facial Nerve  
   - Nystagmus  
   - Tests for Vertigo

6. Investigations for Ear Diseases  
   *Inku Shrestha Basnet*  
   
   Page 32
   - Audiological Investigations  
   - Vestibular Investigations  
   - Radiological Investigations

7. Diseases of the External Ear  
   *Rabindra B Pradhananga*  
   
   Page 38
   - Diseases of the Auricle  
   - Diseases of the External Auditory Canal (EAC)

8. Infections of the Tympanic Membrane and Middle Ear Cleft  
   *Rakesh Prasad Shrivastav*  
   
   Page 45
   - Infections of the Tympanic Membrane (TM)  
   - Infections of the Middle Ear Cleft

9. Complications of Otitis Media  
   *Rakesh Prasad Shrivastav*  
   
   Page 54
   - Routes of Spread  
   - Extracranial Complications  
   - Intracranial Complications
10. **The Mastoidectomy Operation**  
*Rakesh Prasad Shrivastav*  
- Canal Down Mastoidectomy 58  
- Canal Up Mastoidectomy 59

11. **Trauma to the Ear**  
*Anupama Shah Rijal*  
- Physical Trauma 62  
- Barotrauma 63

12. **Otosclerosis**  
*Rakesh Prasad Shrivastav*  
- Definition 65  
- Types 65  
- Pathology 65  
- Characteristic Features of Otosclerosis 65  
- Clinical Features 65  
- Investigations 66  
- Treatment 66

13. **Neoplasms of the Middle Ear**  
*Bikash Shrestha*  
- Malignant Tumors 67  
- Glomus Tumor 67  
- Langerhans Cell Histiocytosis 67  
- Osteoma 68

14. **Diseases of the Inner Ear**  
*Hari Bhattarai*  
- Inflammatory Diseases 69  
- Trauma 70  
- Neoplasms 71  
- Autoimmune Diseases 72  
- Others 72

15. **Otoxicity**  
*Hari Bhattarai*  
- Clinical Features 77  
- Common Ototoxic Drugs 77  
- Treatment of Otoxicity 77

16. **Vertigo**  
*Rakesh Prasad Shrivastav*  
- Definition 78  
- History 78  
- Causes of Vertigo 79  
- Examination 79  
- Investigations 79  
- Diagnosis of Common Causes of Vertigo 79  
- Treatment 79

17. **Hearing Aid, Cochlear Implant and Tinnitus Masker**  
*Hari Bhattarai*  
- Hearing Aids 81  
- Ear Mould 81  
- Cochlear Implants 82  
- Tinnitus Maskers 83

18. **Facial Nerve Paralysis**  
*Hari Bhattarai*  
- Bell’s Palsy (Idiopathic Facial Nerve Paralysis) 84

---

**SECTION 3: THE NOSE AND PARANASAL SINUSES**

*Section Editor: Bibhu Pradhan*

19. **Anatomy of the Nose and Paranasal Sinuses**  
*Meera Bista*  
- The Nose 89  
- The Paranasal Sinuses 92

20. **Physiology of the Nose and Paranasal Sinuses**  
*Bibhu Pradhan*  
- The Nose 96  
- The Paranasal Sinuses 97

   • Goals of Functional Endoscopic Sinus Surgery (FESS) 157

SECTION 4: THE ORAL CAVITY AND HEAD AND NECK

   Bimal Kumar Sinha
   • Embryology 161
   • Applied Anatomy 161

37. Physiology of the Oral Cavity: Perception of Taste Sensation, Formation and Functions of Saliva and Swallowing Mechanism  163
   Bimal Kumar Sinha
   • Perception of Taste Sensation 163
   • Swallowing 164

38. Symptoms of Oral Cavity and Head and Neck Diseases  165
   Bimal Kumar Sinha
   • Oral Cavity 165
   • Head and Neck 166

39. Clinical Examination of Oral Cavity and Head and Neck  168
   Krishna Koirala
   • Oral Cavity 168
   • Head and Neck 169

40. Investigations for Oral Cavity and Head and Neck Diseases  171
   Bimal Kumar Sinha
   • Imaging 171
   • Thyroid Hormone Assay 172
41. Inflammatory Diseases of the Oral Cavity, Diseases of the Tongue and Immune Disorders of the Oral Cavity
   Bimal Kumar Sinha
   • Inflammatory Diseases of the Oral Cavity 174
   • Diseases of the Tongue 175
   • Immune Disorders of the Oral Cavity 175

42. Neoplasms, Tumor-like Lesions and Premalignant Conditions of the Oral Cavity
   Bimal Kumar Sinha
   • Benign 177
   • Tumour-like Lesions 177
   • Premalignant Conditions 177
   • Malignant Neoplasms 178
   • Other Malignant Neoplasm 179

43. Oral Manifestations of Systemic Diseases
   Bimal Kumar Sinha
   • Hematological Disorders 181
   • Endocrine Disorders 181
   • Acquired Immune Deficiency Syndrome (AIDS) 181
   • Others 181

44. Infections of the Salivary Glands and Sialolithiasis
   Toran KC
   • Infections of the Salivary Glands 182
   • Sialolithiasis 183

45. Neoplasms of the Salivary Glands
   Toran KC
   • Benign Neoplasms 185
   • Neoplasms of Variable Malignancy 185
   • Malignant Neoplasms 186

46. Neoplasms of the Thyroid Gland
   Bimal Kumar Sinha
   • Thyroid Gland 187
   • Benign Neoplasms 187
   • Malignant Neoplasms 188

47. Other Diseases of the Thyroid Gland including Endocrine Disorders
   Bimal Kumar Sinha
   • Infections/Inflammation of the Thyroid Gland 190
   • Acute Infections/Inflammation 190
   • Chronic Infections/Inflammations 190
   • Nontoxic Goiter 191
   • Endocrine Disorders 191

48. Applied Anatomy and Diseases of Deep Neck Spaces of the Neck
   Urmila Gurung
   • Layers of Deep Cervical Fascia 193
   • Classification of Deep Neck Spaces 193
   • Retropharyngeal Space 194
   • The Carotid Space 195
   • Parapharyngeal Space 195
   • Peritonsillar Space 196
   • Submandibular Space 196
   • Parotid Space 197
   • Masticator Space 197

   Heempali Dutta
   • Lateral Neck Swellings 198
   • Mid-line Neck Swellings 200
SECTION 5: THE PHARYNX AND LARYNX

Section Editor: Dharma Kanta Baskota

50. Anatomy of the Pharynx 203
   Rabindra B Pradhananga
   • Anatomy of the Pharynx 203

51. Anatomy of the Larynx 206
   Rabindra B Pradhananga

52. Physiology of the Pharynx and Larynx 210
   Toran KC
   • Physiology of the Pharynx 210
   • Physiology of the Larynx 210

53. Symptoms of Pharyngeal and Laryngeal Diseases 212
   Inku Shrestha Basnet
   • Pharynx 212
   • Larynx 213

54. Clinical Examination of the Pharynx and Larynx 215
   Bikash Shrestha
   • Pharynx 215
   • Larynx 216

55. Investigations for Pharyngeal and Laryngeal Diseases including Endoscopy 219
   Bimal Kumar Sinha
   • Imaging 219
   • Histopathological Investigations 220
   • Flexible and Rigid Endoscopy 220
   • Tests for Esophageal Diseases 221

56. Diseases of the Tonsils 222
   Kunjan Acharya
   • Acute Tonsillitis 222
   • Ulcers of the Tonsil 222
   • Tonsillar Cysts and Tonsillolith 222
   • Unilateral Tonsillar Enlargement 222

57. Neoplasms of the Nasopharynx and Skull Base including Basic Principles of Skull Base Surgery 224
   Dharma Kanta Baskota
   • Squamous Cell Carcinoma (SCC) 224
   • Angiolfibroma 225
   • Basics of Skull Base Surgery 225

58. Infections and Non-neoplastic Diseases of the Pharynx including Snoring and Sleep Apnea in Adults 227
   Dharma Kanta Baskota
   • Infections of the Pharynx 227
   • Non-infective Diseases of the Pharynx 228
   • Pharyngeal Manifestations of Systemic Diseases 229
   • Snoring and Sleep Apnea 229

59. Neoplasms of the Pharynx 232
   Urmila Gurung
   • Neoplasms of the Nasopharynx 232
   • Neoplasms of the Oropharynx 232
   • Neoplasms of the Hypopharynx 233

60. Infections and Non-neoplastic Diseases of the Larynx 235
    Dharma Kanta Baskota
    • Infections of the Larynx 235
    • Non-neoplastic Lesions of the Larynx 237

61. Neoplasms of the Larynx 239
    Urmila Gurung
    • Benign Neoplasms of the Larynx 239
    • Malignant Neoplasms of the Larynx 239

62. Neurological Lesions of the Pharynx and Larynx 243
    Heempali Dutta
    • Etiology 243
    • Investigations 243
    • Intracranial Causes 243
    • Extracranial Causes 244
63. Laryngotracheal Injuries
   Heempali Dutta
   • Acute Laryngeal Trauma 247
   • Chronic Laryngeal Stenosis 247

64. Voice Disorders including Phonosurgery
   Toran KC
   • Voice Disorders 249
   • Phonosurgery 250

65. Stridor and Management of Obstructed Airway
   Dharma Kanta Baskota
   • Stridor 252
   • Management of Obstructed Airway 252

SECTION 6: AERODIGESTIVE TRACT
   Section Editor: Chop Lal Bhusal

66. Anatomy and Physiology of Esophagus and Tracheobronchial Tree
   Chop Lal Bhusal
   • The Esophagus 261
   • The Tracheobronchial Tree 262

67. Foreign Bodies in the Aerodigestive Tract including Bronchoscopy and Esophagoscopy Procedures
   Chop Lal Bhusal
   • Foreign Bodies in the Airway 264
   • Foreign Bodies in the Digestive Tract 266

68. Dysphagia
   Dharma Kanta Baskota
   • Acute Dysphagia 269
   • Chronic Dysphagia 270

SECTION 7: PEDIATRIC ENT
   Section Editor: Rajendra PS Guragain

69. Congenital Diseases of the Ear, Nose and Throat
   Anupama Shah Rijal
   • Congenital Diseases of the Ear 275
   • Congenital Anomalies of the External Auditory Canal (EAC) 276
   • Congenital Anomalies of the Inner Ear 276
   • Congenital Diseases of the Nose 276
   • Congenital Diseases of Oral Cavity and Head and Neck 277
   • Congenital Diseases of the Pharynx 279
   • Congenital Diseases of the Hypopharynx 279
   • Congenital Diseases of the Larynx 279
   • Congenital Diseases of the Trachea and Esophagus 280

70. Acute Otitis Media
   Rajendra PS Guragain

71. Otitis Media with Effusion
   Rajendra PS Guragain

72. Diseases of the Adenoids including Snoring and Obstructive Sleep Apnea
   Anupama Shah Rijal
   • Diseases of the Adenoids 287
   • Adenoidectomy 288
   • Snoring and Obstructive Sleep Apnea in Children 288

73. Infections of the Tonsils
   Rishi Bhatta
   • Surgical Anatomy of the Palatine Tonsil 291
   • Infections of the Tonsils 291
   • Complications of Acute Tonsillitis 292

74. Pediatric Upper Airway Problems
   Rajendra PS Guragain
   • Upper Airway Problems 297
75. Pediatric Neck Swellings
   Rishi Bhatta
   - Inflammatory Conditions 300
   - Congenital Conditions 300
   - Neoplasia 300
   - Others 301

76. The Deaf Child
   Rajendra PS Guragain

SECTION 8: RELATED TOPICS

Section Editor: Narmaya Thapa

77. Emergencies in ENT and Head and Neck
   Anil Kumar Jha
   - Ear 307
   - Nose and Paranasal Sinuses 308
   - Oral Cavity, Pharynx, Larynx and Head and Neck 308

78. Imaging in ENT and Head and Neck Diseases
   Dharma Kanta Baskota
   - Ultrasonogram (USG) 309
   - Computed Tomography (CT) 309
   - Magnetic Resonance Imaging (MRI) 309
   - Radioisotopes and Radiotracers (Nuclear Medicine) 310
