ABOUT THE BOOK

Log Book for MBBS Students is a medical educational management tool aesthetically designed in accordance with the new competency-based undergraduate curriculum by the Medical Council of India (MCI). The new curriculum mandates that the students must be encouraged to “reflect” upon what have they learned in the classes, identify the lacunae in their learning, and improve upon it.

KEY FEATURES

- In accordance with the new competency-based undergraduate curriculum as per MCI.
- Designed to introduce students with the structure of foundation course modules, the details of the learning outcomes to be achieved, design of the MBBS program, phase-wise distribution of subjects and marks, teaching hours allotted to each subject, the examination schedule, a record of the 2-month's elective capsule, sheets for maintenance of attendance record, summative assessment of 8 terms from first year to final year MBBS course.
- Students are instructed to fill in their log book and get it signed by their mentor, Head of the Department and Dean of the Institute.
