## What Exactly is Dandruff?

**Author: Rama Murthy DVSB**

9789351522379 | Full color | 1/e,2021 | Softcover  
6.75"x 9.5" | Pages: 202 | Rs. 795

### ABOUT THE BOOK

This book is a combination of two monographs. The title of second monograph is "South Indian's Foot: A Store house of Diagnostic clues for Psoriasis". The former deals with how the author identified the exact etiology of dandruff and later deals with the amazing creation of clues to psoriasis. These monographs are the culmination of focused and scholarly observations of the author extended well over the period of three decades.

### KEY FEATURES

- This monograph is first of its kind in the world medical literature (WML)
- The robust clinical experience and WML, the author makes an adorable attempt to establish the exact etiology of dandruff.
- The major highlight of the book is beautifully and belligerently categorized color atlas (comprising around 500 color images)
- Another highlight is depiction of color photographs displaying various toe-nail abnormalities.
- Brief clinical information about each patient is provided at the bottom of each page of color atlas of dandruff.
- This monograph provides a lot of areas that carry a very high research potential.
