ABOUT THE BOOK

This cumulative record book presents a list of nursing procedures both year wise and subject wise for General nursing and Midwifery students. It is written methodically as per the revised Indian Nursing Council (INC) syllabus 2015. It will aid the students in getting beforehand information of the procedures they will be required to perform. It is a written document for the student as well as the teacher.

KEY FEATURES

- Well organized and systematically written as per the revised INC syllabus 2015.
- Covers all the specified nursing procedures both year- and subject-wise.
- Written document for the teacher to monitor student's clinical performance.
- Will aid in upgrading the student's efficiency in acquiring professional skills.
