ABOUT THE BOOK

This book will serve as an ideal textbook for both teachers and to the students. A sincere effort is made to cover the present syllabus framed by Indian Nursing Council (INC) and varied universities for undergraduate and postgraduate nursing programs. Lucid and simple language is used which makes easy for the student to understand and comprehend the subject. The core content is drawn from authentic sources and the first edition. The book is revised in view to add additional suitable information as per the syllabus.

KEY FEATURES

- Comprehensive textbook written as per the syllabus framed by Indian Nursing Council (INC) and different universities.
- Enables the students of nursing to possess the deep understanding and keen insight in the subject.
- Content is carefully planned and compiled as per the syllabus and meets the needs of students as well as nurse educators.
- Book would immensely benefit the students and teachers of nursing profession.
